SUBJECT: Comments on the Work Plan for Conducting a Streamlined Assessment of Exposures and the Attendant Risks Posed by the Presence of Asbestos in Soils and Fill at the North Ridge Estates Site, Klamath Falls, Oregon (October 15, 2003)

Thank you for your thorough response to comments on the previous version of the above-referenced document. This memo represents EPA's approval of the October 15, 2003 version of the work plan. We look forward to reviewing the Interim Exposure Assessment Report and continued cooperation on this project.

Please call me at 206/553-1079 if you have any questions or comments.
